PAST RECIPIENT QUOTES

- Wherever each of us may be next year, they say from Anne Arundel County, “Keep up the good work,” “We have faith in you,” and “Go get ‘em.”
- I am confident that the scholarships awarded tonight will aid each student in using their inherent interests, passions, and gifts to make a difference in the world.
- I couldn’t have done this without your support!
- We express only the utmost gratitude for the opportunity to pursue our dreams with a lifted financial burden. These scholarships will allow us to make an impact on the world around us.
- This makes it possible. I didn’t think college was possible, but it is.
- I needed this scholarship. There are hidden costs: transportation, food, cost of living. I work and I have loans.
